## **UPDATE OF CHANGES IN THE 2009 INTERNATIONAL BUILDING CODE**

The seminar will overview significant changes from the 2006 to the 2009 International Building Code. It will identify important changes in organization and code requirements and explain how these requirements apply to design, plan review and inspection.

## **THE INSTRUCTOR FOR THE SEMINAR WILL BE: DOUGLAS W. THORNBERG**

Doug Thornburg, AIA, CBO, has over 25 years of experience in building code training and administration, including ten years with ICBO and five years with the City of Wichita, Kansas. He is certified as a building official, building inspector and plans examiner, as well as in seven other code enforcement categories.

Doug is currently Director of Product Development for ICC. In this role, he provides leadership in technical development and positioning of support products for ICC. In addition, Doug develops and reviews technical products, reference books and resource materials relating to the I-Codes and their supporting documents. Other functions include serving as a technical expert on jointly developed products with other associations, acting as technical liaison with outside authors/contractors, and providing oversight of quality control and technical peer review panels for ICC products. He also instructs seminars nationally on the IBC.
