

FOX 28, Haase Landscape and our sponsors are partnering to design a Community Enhancement Project for

TESH, a non-profit, serves children and adults who have Autism, Cerebral Palsy, Traumatic Brain Injury and more. TESH assists its clients to develop independent living skills and gain employment opportunities.

The 5-Day Build Event in September offers multiple opportunities for exposure for NIBCA and your businesses, plus a 30 minute special will be aired several times on:

Additionally, there will be coverage in The Coeur d'Alene Press (both story coverage and ads recognizing our sponsors and promoting the TV program) and exposure on:
